5. The Managing Director, APGDC requested that GoAP entities may infuse at least Rs.25 crores in APGDC for investment in Godavari Gas Private Limited (GGPL) so that GGPL may execute the pending work & survive to pay its liabilities and to mobilise the Contractor to complete the works. The same was briefed during the review meeting by Chief Secretary, GoAP on 25-08-2023. Subsequently, the Finance Department in principle agreed to the request as the infusion will ensure that the GGPL will be earning its own resources for further continuation.

6. Government after careful examination hereby accord administrative sanction and release an amount of Rs.25 Crores to APGDC/APGIC as additional funds for the financial year under BE 2023-2024 to meet the equity infusion requirement by GoAP entities of APGDC for investment in Godavari Gas Private Limited (GGPL) to enable GGPL to execute the pending works, pay its liabilities and complete the works at the earliest.
